#### Food Recalls

Vibrant Health Recall Annie Chun's Chicago Bar Company LLC dba RXBAR is expanding the scope of their recall because of the potential presence of undeclared peanuts.

RXBAR identified the potential for peanut in two varieties – Chocolate Sea Salt and Coconut Chocolate – in December and initiated a recall of those varieties. Co-op customers were not impacted by the initial recall. **The recall has been expanded** out of an abundance of caution (please see table for affected varieties and dates).

If you have purchased the products listed with the affected dates, please return them to either North Coast Co-op location for a full refund. Customers and Members with questions, please feel free to contact the Merchandising Department at the North Coast Co-op, (707)822-5947 ext. 242.
